

2025/2026 POLICIES

General School Policies

The School of Ballet Tucson (SBT) is committed to providing a safe, healthy, and productive work environment free of recognized hazards. Any hazards should be immediately reported.

STUDIO

- Only Staff members are authorized to adjust the thermostats.
- DO NOT use glues (including Jet glue) in the studios.
- Please confine rosin to the rosin box areas, remove excess before treading onto the main studio floor. Use rosin sparingly.
- Avoid exposing all dance floors to baby powder, sunscreen, body lotion, and fabrics that have been treated with fabric softener. These softening agents may create slick spots on the floor.
- If doing floor work in classes, please wear a t-shirt or lay on a towel or yoga mat to avoid sweat or body oils on the floor that may cause slippery spots.
- Please alert instructors to excessively slippery areas of the studios in a timely manner. Instructors will mark them with a small "X" with white or yellow spike tape to alert the Facilities Manager.
- The use of cell phones during classes and rehearsals is prohibited by all students unless under the instructors' supervision for research.

DRESSING ROOMS

- Are to be used for dressing for classes or dressing to go home from classes.
- Please be mindful and respectful that you are sharing the space with the company dancers and other students of varied ages. If you arrive early for class, please wait in the lobby until Ballet Tucson company dancers have left the dressing area before entering. If you need to get dressed and they have not exited, please knock to alert them that you need to enter or utilize the bathroom stalls to change.
- Please do not do homework or linger in the dressing rooms. Please study and socialize in the lobby to respect students who need to change.
- NO FOOD is allowed in dressing rooms. Crumbs and leftover open cups and drinks attract pests. Please consume all food and drinks in the lobby at the tables provided and use the trash or recycling receptacles.

GENERAL

- Students are responsible for the disposal of their garbage and are expected to treat facilities, furniture and equipment with respect.
- Vandalism will not be tolerated. Defacing lockers, cubbies, benches, walls, floors and bathroom stalls is prohibited and will result in disciplinary action.
- NO RUNNING in the hallway or lobby area. This could cause injury to you or a fellow student/instructor/staff/parent/guardian.

- QUIET in the hallways while classes and rehearsals are being conducted. If students are watching a class or preparing to enter the classroom, the hallways must remain clear and quiet at all times.
- Parents and guardians, please do your best to drop off and pick up your students in a timely manner. Students should arrive at least 5 minutes before class begins. Students should be in the classroom and ready at the time of their classes.
- Due to limited parking, please plan to arrive 5-10 minutes after the conclusion of your student's final class. We kindly ask that you do not wait in your cars in the parking lot for extended periods of time. Please do not park in spaces owned by other businesses or in adjacent lots as you may be towed. We apologize for the inconvenience and appreciate your cooperation.
- If a student arrives 5 or more minutes late to class, they will only be able to observe class. This is subject to the discretion of the instructor and the circumstances surrounding the late arrival. Please call (no texting) the school if you are on your way but running late: (520)623-3373
- Students must wait for your parents and guardians in the lobby after class for pick up. Students under 18 years of age will not be permitted to wait outside for safety reasons.
- All students must adhere to the SBT dress code. Please see our school website for details.

PERSONAL BELONGINGS

- All belongings should be kept INSIDE of the student's dance bag. If a student chooses to bring expensive items to our facility, such as cell phones, other electronics or jewelry, they should keep those items in their dance bags and bring them into the studio.
- SBT is not responsible for lost, stolen, or damaged items.
- Labeling all personal items with the student's name is recommended.
- Please check the lost and found for missing items. All items that have not been retrieved from the lost and found within 30 days will be sold at our gently used sales, where you can buy them back.
- Theft will not be tolerated. Inform staff immediately if personal belongings have been stolen. Staff will work to help locate the missing item(s) to the best of their ability. If the staff has concluded that items have been stolen by a student, disciplinary action will be taken.

PHOTOGRAPHY/VIDEOGRAPHY/SOCIAL MEDIA

For the safety, security and privacy of all students attending SBT, photography and videotaping of classes, rehearsals, demonstrations, and performances by any parties other than SBT staff is strictly prohibited.

- Photography and videotaping in dressing rooms and bathrooms is strictly prohibited.
- SBT retains the right to photograph and videotape students for use in advertising materials, including fundraising, events, and on social media. Parent(s)/Guardian(s) are encouraged to sign a photography/videography release form. Upon written request by a parent(s)/guardian(s), SBT will remove specific images of their child/student from its social media.
- During Open Observation Week, parent(s)/guardian(s) are welcome to take non-flash photos and videos of their child/children for personal use only. For the safety, security, and privacy of all students, these photos and videos may not be posted online and/or on social media. Parents and guardians may only take photos and videos of their own child.
- Because not all families wish to have their children's pictures taken, students shall not take photos and videos inside of SBT's building or backstage at performances.

ILLNESS/INJURY

- If a student becomes ill prior to attending a scheduled class, please inform the School Administrator as soon as possible by phone at (520)623-3373. It is recommended that they stay home so as not to expose other students and staff.
- If a student becomes ill during class or after their first class and needs to go home, they should inform the instructor of the class and the School Administrator that they will be going home and will miss the rest of their class(es). This allows the instructor and the School Administrator time to inform other instructors that the student will not be in attendance.
- If a student is injured, please notify the School Administrator so that all relevant instructors are informed.
- Injured students who cannot participate in classes should present the Administrator with a doctor's note stating the injury and the doctor recommended rest and recovery time. We are firmly committed to the health and safety of our students and will work with each student to ensure they follow their doctor's instructions.
- Students are encouraged to continue to attend their classes and take notes while injured unless that is not recommended by a physician. This allows students to be present to hear valuable information shared by their instructors so they can continue to learn as they recover.

USE OF PHYSICAL TOUCH BY INSTRUCTORS DURING CLASS

- Instructors use physical touch to help students find proper alignment, placement and to develop the proper technical and qualitative aspects necessary for classical ballet.
- If a student or parent/guardian feels uncomfortable with this form of instruction, the School Administrator must be informed in writing by the parent/guardian, and they will notify all instructors.

RESOLVING ISSUES

SBT seeks to aid parents/guardians, students and instructors in maintaining clear and open communication. If an issue arises which a student and/or parent/guardian would like to discuss, they are encouraged to communicate with the School Administrator, who will notify the Artistic Staff and schedule a meeting as necessary.

- Please do not approach instructors before or between classes as they are preparing for their class. Please request to schedule a meeting through the School Administrator.
- If a formal meeting with Artistic Staff is needed, further meetings may also be scheduled to include the instructor(s).
- SBT seeks to provide a nurturing environment emphasizing respect and professionalism. SBT's expectation is that all faculty, staff, students and parent(s)/guardian(s) behave in a considerate and polite manner at all times. Any conflicts between individuals must be discussed calmly and respectfully.
- Parent(s)/Guardian(s) who wish to express concern over a situation or policy should direct their concern to the School Administrator who will schedule a meeting either in person or over the phone with Artistic Staff.
- Should any parent(s)/guardian(s) or students behave in an aggressive or disrespectful manner, Artistic Staff will investigate the situation, and the student(s) and/or parent(s)/guardian(s) may be expelled from SBT. There will be no refunds of tuition if this should occur.

This prohibition includes harassment (verbal, written or physical) for any unlawful discriminatory reason such as race, gender, national origin, disability, age or religion.

Slurs, jokes, or remarks that are derogatory of a person or group's race, ethnic background, religion, gender, disability, sexual orientation, economic status or age will not be tolerated. This also includes behavior which could be classified as bullying, whether in person or via social media, and any behavior that is commonly understood to be abusive or disrespectful toward others.

Body-based harassment will not be tolerated. At SBT, we encourage body image positivity. Body-based harassment can lead to serious injuries, disorders, and extreme physical and mental health issues and will not be tolerated.

Any student who experiences or witnesses any type of harassment should report the incident. Any form of harassment will be investigated, and appropriate disciplinary action will be taken.

PROGRESS MEETINGS

Parents are welcome to schedule meetings through the School Administrator in person, via phone or zoom with Artistic Staff and instructors regarding their student's progress. The Artistic Staff also may request that the student's instructor(s) be present at the meeting.

Written Student Evaluations will be issued twice annually so that instructors can provide individual feedback that will be helpful for the student's progression. If any questions arise from these evaluations, parent(s)/guardian(s) and students may email the School Administrator for clarification or to schedule a meeting with staff.
